**UNITED STATES DISTRICT COURT**  
**DISTRICT OF NEVADA**

Universal Processing Services of Wisconsin, LLC  
dba Newtek Merchant Solutions,

Plaintiff

v.

Sungame Corp., et al,

Defendants

Case No.: 2:16-cv-000074-JAD-GWF

**Order Denying Motion to Dismiss with  
Leave to Refile in Compliance with  
Local Rules**

[ECF No. 47, 48, 49]

Effective May 1, 2016, Rule 7-2(a) of the Local Rules of Practice for the United States District Court for the District of Nevada makes it clear that, when a motion is filed, “[t]he motion and supporting memorandum of points and authorities must be combined into a single document that complies with the page limits in LR 7-3.” And Local Rule IA 10-1(a)(1) requires lines of text in motions to be “numbered consecutively beginning with 1 on the left margin of each page with no more than 28 lines per page.” Declarations in support of a motion should be attached to the motion as an exhibit, and the form of that exhibit must comply with Local Rule IA 10-3.

Sungame Corp., Freevi Corporation, Commander 3D, Inc., Neil Chandran, and Chandran Holding Media, Inc.’s Motion to Dismiss<sup>1</sup> was filed in three separate docket entries on May 27, 2016: a Notice of Motion to Dismiss the Complaint (ECF No. 47); a declaration in support of the motion (ECF No. 48); and a memorandum of law in support of the motion (ECF No. 49). These filings violate this court’s local rules for motions because no notice of motion is required; only a single motion that *contains* the memorandum of points and authorities should have been filed; and the declaration should have been filed as an exhibit attached to the motion itself, not as a separate document. The motion should also have numbered lines (like this order does along the left margin).
